

2021-22

UPDATE TO IN-PERSON INSTRUCTION

#THISISLCSC

DECEMBER 14, 2021

REOPENING 2021-22

LCSC PHASES OF LEARNING

PHASE 1	PHASE 2	PHASE 3	PHASE 4	PHASE 5	PHASE 6
Schools: Closed. Instructional delivery: Remote	Schools: Open with modifications Instructional delivery: Selected grades blended (in-person* + remote), Selected grades remote	Schools: Open with modifications Instructional delivery: All grades blended (in-person* + remote)	Schools: Open with modifications Instructional delivery: Selected grades in-person*, selected grades blended (in-person* + remote)	Schools: Open with modifications Instructional delivery: In-person*	Schools: Open Instructional delivery: In-person

REOPENING 2021-22

Movement to a lower phase will be determined by:

- Positive COVID case rate (individual school or district);
- Quarantine rate (individual school or district);
- Staffing levels including: transportation, food service, custodial/maintenance, instructional, clerical, nursing;

AND through consultation with the public health agencies:

- IDOH risk color level for Boone County.
- Vaccination percentage of 5-18-year-old population residing in LCSC zip codes.
- Age 5-11 vaccine availability
- Trend in new cases in Boone County per 100K residents.
- Trend in county positivity rate.

2021-22

RETURN TO IN-PERSON INSTRUCTION

#THISISLCSC

- Plexiglass installed in offices and points of sale
- UV-C light source sanitizing devices
- Additional air filtration
- Additional custodial staff
- Staff training
- Staff and students encouraged to bring hand sanitizer
- Increased inventory of hand sanitizer, sanitizing stations
- Build in hand-washing to daily routines and time for hand sanitizer
- Water bottle filling stations
- Daily screener as part of student registration

DISTRICT PRECAUTIONS IN REVIEW

- Meal Service
- Transportation
- Recess
- Passing Periods
- School Visitors and Volunteers
- Extra Curricular Activities and Other After School Events

MASKS AND FACE COVERINGS

BEGINNING JANUARY 04, 2022

- **Students, staff, and visitors will make their personal informed choice regarding the use of a mask or face covering.**
- Masks or approved face coverings are required on school transportation per federal requirements.
- Decisions will be reviewed on Wednesdays and communicated to continue or change the following Monday.

MASKS AND FACE COVERINGS

Masks could again become required in an individual school and/or the entire district when the total number of quarantined students (individual school or district) is $\geq 3\%$, **AND** the number of student positive cases is $\geq 2\%$ for two consecutive weeks **AND** any combination of factors below are in place:

1. The school or district is unable to maintain staffing levels (transportation, food service, clerical, instructional staff, custodial and maintenance, nursing) necessary to support a safe and effective learning and working environment;
2. Upon recommendation or directive of public health agency, or Governor's order.

CLOSE CONTACTS AND QUARANTINE REQUIREMENTS

- The district will identify close contacts to positive COVID-19 cases and close contacts (based on a 3 to 6 ft. distance and 15 minutes in a 24 hour period) may be required to quarantine.
- **Asymptomatic close contacts who are vaccinated or recovered from a COVID-19 infection within the past 90 days** are not required to quarantine and asked to monitor for COVID-19 symptoms.

COLLABORATION WITH LOCAL AND STATE HEALTH OFFICIALS

Lebanon Community School Corporation will continue to collaborate with local and state health officials regarding best practices in the following:

- Contact tracing
- Isolation and quarantine for exposures
- Face masks
- Vaccination opportunities
