

**The Lebanon Community School Corporation Transportation Department is in the process of hiring qualified school bus drivers. The school district will provide paid training for you to obtain a Class B C.D.L. license to drive a school bus. Positions are also open for substitute drivers.**

**School bus drivers make great money and have the benefit of a regular school schedule, allowing parents to be home with their children. Many of our most experienced drivers started driving because it worked so well with their schedules while their children attended Lebanon Community Schools.**

**If you have an interest in learning to drive a school bus, or have questions, please call the Transportation Department at 765-482-1499. Ask to speak to Becky Nichols, Transportation Director. Applications are available at the LCSC Transportation Department, 505 Ransdell Road, Lebanon, IN 46052. Applications may be completed Monday through Friday between the hours of 7:30am and 4:30pm. Other requirements include: CDL Physical, Drug Test, Clean Driving Record, and a Background Check.**

**If you are up to the challenge, are seeking a good wage for your time spent, and work well with children; be sure to contact the LCSC Transportation Department.**
