EARLY KINDERGARTEN ENTRANCE PROCEDURE

A student residing in Indiana must be five on or before **August 1st** in order to enroll in public school kindergarten, in accordance with Lebanon Community School Corporation Board Policy #5112. Indiana legislators recently amended I.C. 20-43-4-5 allowing school corporations to receive state funding for kindergarten students who are at least age five by October 1, 2021 for the 2021-22 school year.

Therefore, parents of students born after August 1 and on or before October 1 of the intended year of enrollment may appeal to the Superintendent, or his designee, for early entrance into kindergarten. Parents who desire their child to be considered for early entrance into kindergarten should submit Kindergarten Early Entrance request paperwork to the LCSC Superintendent no later than June 1. Forms are available by contacting Melanie Beltran, Superintendent Administrative Assistant, for additional information (beltranm@leb.k12.in.us; 765-482-0380 Ext. 31801).

The Superintendent will make the determination of whether the child will be admitted to the kindergarten program. In evaluating the early admission application(s), the Superintendent consider the student's age-eligibility as well as assessment information, collected by school personnel to help determine the student's level of kindergarten-readiness.

The Superintendent, or his/her designee, shall advise the parent(s)/(guardian(s) of his/her decision in writing.

NOTE: Due to Indiana law, the Indiana Department of Education will not authorize funding for students who do not meet the October 1, 2021 kindergarten eligibility date. Therefore, any approved early entrance kindergarten student whose fifth birthday is after October 1, 2016 will be enrolled with the understanding that parents/guardians will be responsible for paying the cost of tuition.
