

# Louie's Tux Shop

## Student Jobs Available

It's that time of year again. Every spring, Louie's Tux Shop hires 75-100 high school students in our trading area to work in our stores during the upcoming season. We would be very interested to connect with any of your students that are in need of earnings and would be a good fit for fashion and customer service.

If you know of any students that may be interested, please share with them the link below so we can connect with them for an interview and hopefully on their way to a fun and rewarding job this spring!

Thank you for all your support and best wishes on a great finish to the school year!
